EUROPEISKA UNIONEN

Exchange my  
experiences  
Good examples about  
how to work with  
entrepreneurship and  
newly arrived people/  
foreign born

*Examples from the Dalecarlian Region*

# How to work?

Study material from Junior Achievement

Our community

To see all possibilities

To run small companies during the school year

Advisors

***It is a process  
and it's a skill training !***

# Our community

How do our city work

Creativity

Democracy

Empty store

Voting

As a game, gamification

# To see the possibilities

Learn entrepreneurship

What is it about the great entrepreneurs

Entrepreneurquiz

Training creativity

Doing inventions that are innovative such as dirt in a can

**Concrete and easy!**  
**Grabblasons!**

## Small companies

Trainingprocess  
Education

Go out in the city  
Bring in interesting people

EWB  
Showing is important for value  
Keep it simple

## Small companies

Trainingprocess  
Education

Go out in the city  
Bring in interesting people

EWB  
Showing is important for value  
Keep it simple

Preparation   Starting a company   Run a company/ Doing business   Put the company down

## **Node development**

**Dalarnas Science Park is the leading center of entrepreneurship, innovations, enterprise and for this project towards foreignborn people.**

# Cooperation

Finding projects to connect with

Way In

Short way

Red Cross

Schools

Young achievement

Networking

Project days

Make people connect

Friday Morning Talk

# You can not win if you don't put in a coin!

Put in a coin

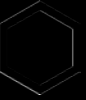

Only possibilities

Focus on the process

Bring in real companies and people to school

Do things in the other direction

If things don't go right then go left

**DALARNA  
SCIENCE  
PARK**

**If you keep on  
doing the things  
you always do –  
you will get the  
results that you  
always get !**

**DALARNA  
SCIENCE  
PARK**

**Get acquaintance**

**Bring in the good ideas**

**Just do it**

***Thank you for listening!***
